

CULTIVATED LEARNING SOCIETY

Program Basics

Mission: To use our God-given abilities and knowledge to foster the natural love of learning in our children and in ourselves as we explore, create, and learn together, while striving for excellence in all we do.

Family Commitment: Moms of each participating family are *required* to serve while at CLS. Each mom will be assigned by the leadership team to teach a class, to assist in classes, or to perform another role as needed. Every child must have a mom or care-giver on the premises at all times. Moms are expected to be fully engaged with the children under their supervision.

Location: CLS meets at Cornerstone Baptist Church in Wylie.

Schedule: We meet each Monday from 8:20 to 4:00.
